### **Booking Agreement and Authorisation for Veterinary Treatment if Necessary**

We do not anticipate that your precious pet will encounter any problems whilst staying with us. However, we have to prepare for the unexpected so we do ask owners to consider what they would like us to do if their cat(s) needed veterinary attention.

In the case of any problems or if your cat(s) show signs of suspected illness, Precious Paws will contact you, or your representative if you are not available, (although please note all endeavours will be made to talk directly to you) to discuss what has happened and the best course of action.

By signing this form you are agreeing to a veterinary surgeon being consulted if necessary, and the advice of the vet being taken in the best interests of your cat(s). You will be responsible for any veterinary fees incurred and the contract for veterinary attention will be between you and the veterinarian consulted.
